**Call or E-mail Us For Pricing**

M. Bakutis from Hampton Falls, NH said this about  
his custom dog vest:

*Deanna made an orange mesh hunting vest for my bird dog,  
Jack. When I hunt on the East Coast, some days can be very  
warm. Jack needed a vest that was breathable and lightweight  
because of all the running around he does. It also came with a  
reflective ribbon, which made him safe, too!*

**Make Your Prized Pooch Look And Feel  
Like A Million Bucks!**

Make your dog warm and happy by ordering a  
specially designed, custom fitted dog coat or vest

**Is Your Dog  
"This Cool"?**

**Probably not!  
Especially if they aren't wearing their  
own custom fitted dog coat or vest  
specially designed by  
Custom Coats For Critters**
